

PERMIT TERM 82

Title: Russian River - Mendocino County

When Used: For direct diversion from the Russian River downstream from Coyote Dam in Mendocino County for use commencing after January 28, 1949.

Term:

Availability of water for appropriation under this permit during the critical period of approximately July 1 through October 31 is dependent upon water remaining available under the allocation of 8,000 acre-feet per annum from Lake Mendocino for use in the Russian River Valley in Mendocino County. If subsequent studies show that the above-mentioned allocation has been fully used before use is completed under this permit, a license shall be issued only for the amount of water, if any, which has been put to use under this permit and which is included in the allocation.
